Rev. and Mrs. C. H. Barber of Danleison and Mr. and Mrs. Sherman Brown of Collinsville, who have been at their cottages at Kelsey Point, in Westbrook, for a short stay, left for their respective homes on Wednesday.

RAINFALL HAS AMOUNTED TO OVER TWO INCHES

Reservoir to Gain Severa Inches Gver the Consumption, and It Should Continue for a Day or Two-Big Stream Coming In.

When the rainfall was measured Priday afternoon at 2 o'clock it was found to be 1.12 inches, which with that of Thursday makes a total of 2.02 inches. Since then quite a little rain fell, so that it will be 2.25 inches in all probability. On Friday morning Fairview reservoir was 298 inches be-low high water mark, having gained four inches over the consumption since Thursday, and five inches in all from the lowest point. There is a twelve-inch stream coming in from Bog meadow, where there is quite a little water in front of the dam and a good big brookful

ig brookful. Superintendent Corkery states that he never took so much pleasure riding in the rain as he did on Friday when ie went about Fairview and saw springs both at Fairview and Meadow brook were all cleaned out during the dry spell and every inducement to help the water into the pond made. It is expected that the benefit will be felt

or several days.

The amount is not sufficient, how nowever, and as it means the breaking of the drought more can be looked for. There is just as much requirement for curtailing the use of water as there was a week ago, and it will be some time before the supply will be suffi-cient to warrant the withdrawal of the
